

CFF Membership Renewal Form for 2009

It is time again to renew your membership in Canadian Friends of Finland. Your membership fees help us to cover our administrative and mailing costs. In return we are able to provide our members prompt information about our cultural events, reduced rates to most of our ticketed events, invitations to special exhibitions, and choice seats in our concerts. Your membership helps support high quality Finnish cultural programming in Toronto.

The 2009 membership fees are:

1. Individual member \$25 (one year)
Additional family member(s) at the same address \$10 (one year)
2. Students and Seniors \$15 (one year)
3. Life member \$500

CFF and CFF Education Foundation are both administered exclusively by volunteers.
